

An opportunity for you to report on the global energy transition!

**BETD
MEDIA
FELLOW
SHIP.22**

The BETD Media Fellowship is an official Side Event of the Berlin Energy Transition Dialogue (#betd22, energydialogue.berlin), a high-level conference on the energy transition, taking place on 29-30 March 2022. Reporting on and raising awareness about the international energy transition, renewable energies and energy efficiency are crucial in order to meet the targets set by the Paris Climate Agreement.

Apply now

fellows.energydialogue.berlin

Deadline for application is on February 7th 2022

What to look forward to:

- exclusive capacity building programme for up to 30 selected promising media professionals active in the field of energy journalism
